

Says

What have we heard them say?
What can we imagine them saying?

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

Feels

What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?

Does

What behavior have we observed?
What can we imagine them doing?

Why do I say what
when I heard them?
**Some of us have an
auditory processing
disorder.**

**you have heard
information
from a source
other than
yourself**

**Imagination
is the
beginning
of creation**

Importance of
hopes and dreams
Hopes and dreams
are **essential** for
your future

According to Difference in
Between, the two terms
are used to discuss our
**future desires and
expectations for the
future** "A dream can be a
cherished ambition or
desire, or an idea created
in your imagination.

**the two terms are
used to discuss
our future desires
and expectations
for the future.**

A dream can be a
cherished ambition or
desire, or an idea created
in your imagination. Hope
is a feeling of expectation
and desire for a particular
thing to happen."

speaking honestly, my only
dream is **being healthy
and happy**. I've had my fair
share of health troubles in
life, and I do all I can to
change my fortune.
Changing my lifestyle, my
diet, exercising more,
trying to stress less

we **help them figure
out what they want
to achieve during
the school year, then
show them the ways
they can achieve
those goals.**

My biggest dream is to
make enough money to
ensure myself a beautiful
life and to be able to help
all the people that helped
me get there". It seemed to
be a surprisingly good
answer for the person in
front of me.

The diligence you have
to move your objectives
forward is ambition. It's
the power and energy
behind you pushing you
to implement a plan
towards your goals.

**our children will be
healthy and happy
or that we will
emerge from the
recession and find
adequate work**
